

2020 Hohai University Master Programs for Lancang-Mekong Water Resources Talents

About Hohai University:

Established in 1915, Hohai University (HHU) already has a century-old history. Under the direct supervision of the Ministry of Education of China, HHU has upgraded itself with good momentum of development in hydraulic engineering and water resources as its main focus, education of engineering subjects as its first priority, and coordinated development of a wide array of disciplines. It's a state key university under the "Double First-Rate" Discipline plan, with national level innovation platforms as well as the graduate school.

The University has 3441 staff members, 1354 of which have senior titles, and 483 doctoral supervisors. There are 2 academicians of the Chinese Academy of Engineering and other 15 part-time academicians. At present, there are 51,419 degree students on campus, including 16,493 postgraduates.

HHU has been carrying out international communication and cooperation actively and built close relationships with more than 80 first-class universities and research institutes around the world. It's the first batch of universities authorized to grant doctoral, master and bachelor degrees to international students and has cultivated thousands of international talents till now.

Degree and Education Duration:

The project carries out a flexible schooling system. The standard academic master program is 3 years, the duration is minimum 2 years and no more than 5 years.

Majors:

Hydrology and Water Resources

Agricultural Engineering

Hydraulics and River Dynamics

Civil Engineering

Hydraulic Structure Engineering

Environmental Science and Engineering

Water Conservancy & Hydropower Engineering Resettlement Science and Engineering
Harbor, Coastal and Offshore Engineering Public Administration

Qualification:

The applicant should have a relevant bachelor degree with the applied major or above, under age 35(born after Sep. 1st, 1985), be healthy physically and mentally. Those who hold IELTS or TOEFL certificate will enjoy the priority to be recommended (Bachelor degree majored in English or French are not accepted).
